## Testimonials

### Youth Assembly

***It empowers the next generation of leaders with opportunities to connect with like-minded peers, trailblazers, and influencers, develop global competence and critical skills, and transform their vision for a better future through innovative action.***

Nabila, Youth Leader from Afghanistan

### Workshop on Nonviolence

***I learned about the layers of how the social society and how changing a layer will inevitably affect how non-violence is being demonstrated. The idea that change is inevitable and it is sewn in nature of the social society. Change is demanded whenever conflict arises and conflict arises when there is a difference of ideas, values etc.***

Ganga, Youth Leader from High School, United Kingdom

## Testimonials

### Youth Co-creation Session

***The process of revolutionizing value systems within society has been an eye opener. It's also given me hope that the state can even in this age bend to the will of the society.***

Raahat, Researcher on Peace & Conflict from India

### Shaping a Nonviolent World

***I hope I can help shape an education system and setworks with non-violence at the centre ;developing clear strategies for mediation, exchange of ideas and projects for a non-violent world.***
